February 6, 2009

Dear Parents,

Due to safety concerns, upon the arrival of the students, when the students arrive in the morning we are implementing some changes in the turn around in our parking lot.

Beginning Monday, February 9th there will be two staff members assisting the students who arrive in motor vehicles.

- Please have your children exit the vehicles on the right hand side of the vehicle.
- **Drivers please stay in the vehicle**
- The first vehicle in line pulls all the way up close to the gym stairs.
- We will assist student exiting the vehicle as needed.

I realize this is a change in the way we do things, however safety of the children is of the utmost importance.

Worcester Police will be here next week to enforce no parking zone in front of the school on both sides of the street. Signs are posted - No Parking 7A.M. - 6 P.M. school days.

Our students know where they are to go before school whether it is Indoor or out in the A.M.

This is a great way for the students to show their independence by allowing them to enter the school grounds by themselves.

Also, due to the fact our staff parking lot has shrunk because of the amount of snow, we will not allow anyone other than staff members to park in the lot until after 9 A.M.
